

INTRODUCTION

The Meat Processor Infrastructure Grant strives to grow Wisconsin's meat industry and improve the long-term viability of the livestock sector through services to meat processing establishments. DATCP's Meat Processor Infrastructure Grants are available to new or existing processors to facilitate changes and expansion to grow harvest capacity and/or increase product throughput. The Meat Processor Infrastructure Grant program is funded by s. 20.115 (4) (f), Stats. This grant program is open to official meat establishments as defined in s. 93.68 (1), Stats.

AVAILABLE FUNDS

Funds will be distributed through a competitive review process. Grants will be awarded in amounts up to \$50,000 and for two years in duration. Matching funds are required at 100% of the grant award. Matching funds expensed during the project must be documented in the same manner as proof of reimbursable grant expenses

PARTICIPANT ELIGIBILITY

Applicants must satisfy the following criteria to be deemed eligible for funding under the Meat Processor Infrastructure Grant Program. An applicant must:

- Operate or will operate a DATCP or USDA licensed meat processing establishment, be engaged in livestock harvest and/or further processing (sausage, cured meats or other value-added meat manufacture) that is located in WI.
- Have a project(s) that will increase harvest capacity, or the amount of meat product production that will increase harvest capacity in the supply chain upstream
- Have no outstanding state or federal penalties or violations and be in good standing with Wisconsin Department of Revenue, Wisconsin Department of Financial Institutions, DATCP and/or USDA FSIS.
- Employees of Wisconsin DATCP and immediate family members (i.e. mother, father, brother, sister, spouse, and children) are not eligible to receive a grant.
- Entities with open DATCP grants at the time of application may not apply.

ELIGIBLE PROJECTS

The DATCP Meat Processor Infrastructure Grant is designed to provide access to services and resources for proposed meat processing establishment projects that grow or develop the current business's harvest or throughput capacity, improve production or profitability, and/or help the processor answer capacity and/or production bottlenecks and challenges. Focal areas for the grant are highlighted below. Projects could include multiple aspects from the following areas.

- Establishment of expansion efforts to provide assistance with professional services costs related to: siting, engineering, design, layout of new facilities or production lines.
- Any project that can be shown to increase an establishment's harvest capacity by 20 percent or more per year.
- Any project that can be proven to increase meat or meat product production that shows a benefit to harvest capacity within the supply chain.

ELIGIBLE EXPENSES

Eligible project expenses include, but are not limited to, operating expenses directly related to the grant project, including expenses for engineering, architectural design, construction, food safety advisory services, equipment, and equipment installation.

INELIGIBLE EXPENSES

Ineligible expenses include:

- Real estate purchases
- Repayment of loans or mortgages
- Rent or contract payments for time periods extending beyond the term of the grant contract
- Administrative or overhead costs that are not direct costs of the grant project
- Advertising expenses
- Legal fees
- Lobbying, fundraising, or other political activity
- Any costs incurred by any firm for work performed in the preparation of and production of a proposal or for any work performed prior to the formal execution of a contract

APPLICATION REQUIREMENTS AND SUBMITTAL PROCESS

- The application form is located on the DATCP website at:
https://datcp.wi.gov/Pages/Growing_WI/MeatAndLivestockDevelopment.aspx
- Applications must be emailed to ryand.dunn@wisconsin.gov by 5:00pm on Friday, January 14, 2022.
- If you do not have computer access to download and complete the application contact Ryan Dunn at (608) 590-7239.

PROPOSAL REVIEW CRITERIA

This is a competitive grant process. Each application will be reviewed by a committee and will receive a rating based on scoring criteria outlined on the last page of this document, Application Scoring Criteria. The rating score will determine the proposals to be funded.

Preference may be given for proposals that:

- Demonstrate an industry-wide benefit.
- Increase animal harvest benefitting multiple Wisconsin producers/farmers.

DATCP may require additional information and/or an establishment visit to review the proposed project.

CONTRACTS

DATCP will develop a contract for each funded project. No funding commitment is final and no project may begin incurring expenses until the contract is signed by the grant recipient and DATCP. Included with the contract, Appendix A will be completed by the grantee to finalize the details of the work plan, timeline, budget, company/consultant doing work, and implementation plan.

Grant contracts must be signed and returned to DATCP within 30 days of receipt. Failure to submit an executed copy of the contract within 30 days of receipt may result in the loss of awarded grant funds, unless the delay is approved by DATCP.

PAYMENTS

This is a reimbursement grant. Payments will be made following DATCP's receipt of an invoice documenting expenses incurred by the grantee. An amount of 25% of the grant award will be held as a grant final payment. The final payment will be made upon submission of a final invoice and DATCP approval of a written summary report of the project. Invoices must include receipts or other proof of payment.

REPORTING REQUIREMENTS

DATCP reserves the right to modify reporting requirements during the course of the project. Progress reports are due every 6 months (October and April) and will include at a minimum:

- Project status.
- Steps completed in the last 6 months.
- Actions to be completed in the next 6 months.
- Any barriers or issues with the project.

An end of project summary will be required. This summary report will include a minimum:

- Brief description of project intent.
- Summary of project accomplishments and outcomes, including the percentage of harvest capacity increased, additional animals harvested or processed, and efficiencies gained.
- Other insights from project execution.

In addition to this summary report, DATCP reserves the right to conduct follow-up surveys of funded projects in order to determine long-term impacts of the Meat Processor Infrastructure Grant program.

Applicants who do not submit reports on time, and/or submit incomplete reports, may be required to return all previously disbursed funds to DATCP and/or may be removed from future funding opportunities.

RECORD REQUIREMENTS

The grantee will be responsible for setting up and maintaining a project file that contains all records of correspondence with DATCP, receipts, invoices, and copies of all reports and documents associated with the project. The grantee shall retain all data and other records relating to the acquisition and performance of the Grant Award Agreement for a period of four years after the completion of the contract. All records shall be subject to inspection and audit by state personnel at reasonable times. Upon request, the grantee shall produce a legible copy of any or all such records.

MONITORING

DATCP reserves the right to perform site-monitoring visits to any and all grantees to ensure that work is progressing within the required period and that fiscal procedures are followed accurately and appropriately. Monitoring includes both financial and program information, as well as site visits.

LIABILITY

DATCP will not be held liable for any costs incurred by any firm for work performed in the preparation and production of a proposal.

OPEN RECORDS

Applications submitted for funding and all related contracts and reports shall be subject to disclosure under the Public Records law. If the grant applicant or recipient requests any information be deemed a trade secret, the document should be labeled using “trade secret” and the requested status should be noted to DATCP when the document is submitted. DATCP will notify the grant recipient if a public records request is made for the information claimed to be trade secret by the grant recipient. Such information may be kept confidential by DATCP only as authorized by law (see Wis. Stat. § 19.36(5)).

OTHER CONSIDERATIONS

All proposals submitted in response to this RFP become the property of DATCP. DATCP reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish, otherwise use, and to authorize others to use materials produced under this grant agreement. DATCP also reserves the right to:

- Post funded proposals, summary reports and survey findings to the DATCP website,
- Reject any or all proposals received,
- Waive or modify minor irregularities in proposals received after prior notification and agreement of applicant.

- Clarify the scope of this program, within the RFP requirement and with appropriate notice to potential applicants, to best serve the interests of the State of Wisconsin.
- Amend program specifications after their release, with appropriate written notice to potential applicants.
- Require a good faith effort on part of the project sponsor to work with DATCP subsequent to project completion to develop or implement project results in Wisconsin.
- Withhold any payments when contract terms are not met.
- Partially fund applications.
